BOOK OF THE MONTH CLUB, BAY LIBRARY, MET TUESDAY A. M.

Mrs. George S. Horton Gave Resume Current Events—Mrs. Roland Weston Reviews Anne Lindbergh's Book

The meeting of the Book of the Month Club was widely enjoyed the morning of January 14.

Current events given by Mrs. George Horton in a concise, attractive manner paid tribute to our Mrs. Jacobs as her first item, followed by a review, by Mrs. Roland Weston, of Anne Lindbergh's charming description of her interesting trip called "North of the Orient." Mrs. Weston had her subject matter well in hand, reading extracts from the book to stress her points and bringing Anne Lindbergh before you as a charmingly clever person. Mrs. Weston's low, pleasing voice adding much to her discourse.

For the February meeting, book lovers have a treat in store for on February 12th at 7 P. M., which is also Lincoln's birthday, the library will have its second anniversary silver tea—during which Mrs. Snedeker will review her latest book, "Uncharted Ways."

It is an honor and pleasure to announce such an event. The library is proud indeed for such an occasion and cordially invites all of its friends to be present.

WINS ENTRANCE GIFT

Miss Estelle Choima was the lucky person to which the entrance gift of \$30.00 was awarded to at Uncle Charlie's Nite Club Saturday night. The entrance award will again start from \$50.00 this Saturday night.

HERMAN COSPELICH, KILN STUDENT DIED; AUTO ACCIDENT

Truck in Which He Was Riding, With Other Boys, Turned Over on Kiln-Fenton Road Thursday Night.

Herman Cospelich, age 16 years, a member of the eighth grade class of Kiln High School, died Saturday morning, January 11, as the result of a truck accident, which occurred on the Kiln-Fenton road Thursday night, January 9.

At the time of the accident, Herman was accompanied by twelve other boys of Kiln. The truck on which they were riding, turned over, throwing every boy out. All other occupants, except two, received minor injuries. In a few minutes time, Howard Ladner as driver of a car with three other occupants arrived at the scene. They rushed the boys to Dr. Prince's office in Kiln where they received first aid. Herman who was injured internally was rushed to the King's Daughters Hospital at Bay St. Louis. Later he was removed to the hospital at Gulfport where he underwent a very serious operation.

Even though the doctors in each place and the attentive nurses did everything possible to save his life, their efforts were unsuccessful.

Herman is survived by his guardians, Mr. and Mrs. Adolph Favre of Kiln; one brother, Harold of Kiln; his father, a step-mother, two half sisters, and two half brothers, Long Beach.

Rev. Allen of Pass Christian conducted the funeral services in the First Baptist Church of Bay St. Louis. The remains were laid to rest in Cedar Rest Cemetery of this city.

Herman was loved by all who knew him, and he will be greatly missed by teachers, class mates, and friends.

CITY COLLECTS BACK LICENSES, PUNITIVE DAMAGES IMPOSED

J. B. Gully, State Deputy
Revenue Department, Col-
lects \$108.75 Punitive
Damages

City of Bay St. Louis paid to J. B. Gully, deputy collector, Mississippi State Revenue Department, sum of \$108.75. This allowance paid to the revenue department of the State, read in the city proceedings, appearing in last week's Echo, "J. B. Gully, damages, slot machines, \$108.75."

This allowance, while correctly listed in "bills payable," according to the minds of many is misleading and considerable question has arisen, more speculations than one could ordinarily imagine.

However, the matter is simple when it is learned the amount was not paid to an individual because of damages to slot machines, but \$108.75 represents the amount of money collected from operators of slot machines over Bay St. Louis for year 1934, who failed to pay licenses and were also subject to punitive damages for failing to pay the State its just stipend. City of Bay St. Louis collected \$543.75.

The State's share, as called for by Collector Myrant Adams, as damages is 20 per cent, hence the sum of \$108.75 was due the state and the warrant was made out to J. B. Gully, deputy for this district.

In this connection it is interesting to note amount of license fees on slot machines, due prior to December 31, 1935. On 5-cent machines, \$50.00 to State and \$25.00 to City. On 25-cent machines, \$100 State, city \$50.00.

However, under new law, in effect December 31, 1935, the amount of license on each machine is double the foregoing figures. Operators of machines in future will not fail to pay license fees in due time and avoid damages.

BAY PARTY IN BUS ACCIDENT

Mrs. S. M. Clark and Miss
Louise Heitzman Sustain
Broken Limbs—Others
Hurt on Trip From
Biloxi Saturday Nite

Driving home from Biloxi Saturday night at about 10:30 o'clock, a group of Bay St. Louis residents were severely injured when the car in which they were traveling ran into a local coast bus, owned and operated by the new company, recent purchasers from the Mississippi Power Company, which was temporarily parked in the road while waiting for a passenger from a passing bus running in opposite direction to be transferred.

There were two Bay St. Louis cars returning from Biloxi where members of the Central Bay High School basketball team had gone to play the school team of that city. The car that crashed into the parked bus was driven by Mrs. Helen Newson, a member of the teaching faculty of Central School, who had with her at the time Mrs. S. A. Clark, wife of Principal Clark of Bay Hi; Miss Catherine Quintini, young daughter of Mr. and Mrs. Ernest Quintini; Miss Louise Heitzmann, daughter of Mr. and Mrs. Edw. Heitzmann, residing in Sycamore street, and Miss Anna Mae Ploue, also student of the school and residing in Bay St. Louis.

Mrs. Newson, behind the steering wheel, was severely cut over the lip and badly bruised about the face and severely shaken up.

Mrs. Clark had a right leg broken, right arm broken, the leg injured below the knee, and severely cut over the right eye, in addition to many bruises.

Miss Heitzmann was also severely injured, sustaining a right broken leg, and other painful injuries.

Miss Anna Mae Ploue was cut over the right eye and generally hurt. Miss Gertrude Perkins was driving the Bay St. Louis car following with another party from the school. It was in her car the injured were taken back to Gulfport, to the King's Daughters Hospital, where both Mrs. Clark and Miss Heitzmann remained. The others, after their wounds were dressed, returning home.

Mrs. Clark and Miss Heitzmann's clothes were blood soaked. Their condition is serious and painful but in due time will pull through.

The accident occurred at a point near the Edgewater Gulf Hotel. It appears one bus was traveling in the direction of Gulfport, the other oppositely bound for Biloxi. The bus from Gulfport had one passenger.

R. N. BLAIZE HEAD OF NEW OIL COMPANY FOR BAY AND COUNTY

Retires From Lion Oil Company Which Business He Represented for Number of Years

R. N. Blaize, resident representative for the Lion Oil Company for the past number of years, has severed his connection with that corporation and now heads the Bay Oil Company, representing a group of local and other individuals, of which he is the leading and executive representative.

The territory for the oil company is not only Bay St. Louis and all of Hancock county but other coast and interior State territory.

All of the local paraphernalia of the Lion company has been purchased by the Bay corporation and the same will be used in the conduct of local business.

Mr. Blaize has been quite successful in establishing sales stations over the city and county for the Lion gas and it is safe to predict he will establish many local retail outlets for the new gas.

His severing connection with the old company has already gone into effect and he is actively engaged in his new venture.

While seated in an automobile Saturday night on the beach side of North Beach Boulevard, between Court and Main streets, at about 9 o'clock, two men were surprised when City of Bay St. Louis Chief of Police William Hobbs, Deputy Sheriff William Simpson, of Harrison county, and Constable Herman Finhold, also of Harrison county, arrested them.

Men apprehended were Robert Cass, alleged furloughed Louisiana convict, reported to be out on petition to be with his sick mother, and Forest (Toley) Favre, of Bay St. Louis, and son of the late Charlie Favre, well known as a sawyer for years in the employ of a county sawmill. Favre is married and lives in Bay St. Louis.

There originally were three men, but the third escaped when officers made the arrest.

The third man is said to be Geo. Lambley, 32, of New Orleans, allegedly former inmate of Louisiana penitentiary, who was arrested in New Orleans the day following, and held as a fugitive from Hancock county where officers wanted him for questioning in connection with an alleged plot to hold up William Bambrink, manager Bradley's nite club, at Henderson Point, it was rumored Bambrink generally carried \$10,000 on his person each night. It had been planned to "snatch" him, according to reports from officers making the arrest in Bay St. Louis.

It appeared the car came from the other side of Bay St. Louis. It had been stopped by officers of Harrison county and following a tip, it was said, the auto with the three men subsequently arrested, was followed by Officers Simpson and Finhold. Satisfied they had traced the right men, but without official authority to make an arrest in Bay St. Louis, they communicated with Chief Wm. Hobbs of Bay St. Louis who delegated the men and aided in making the arrest.

Drawing guns on the two men in the car, officers took them into custody without serious resistance, both Cass and Favre admitting their identities. Cass, it was reported, had a 45 Colts revolver in his possession, Favre a 38 Smith and Wesson.

Searching the car, officers found tape, rope and other articles which they said indicated that the men were preparing to kidnap someone, also including a hood.

They were first seen at Henderson Point at about 6 o'clock. Simpson and Finhold kept the men under close surveillance until 9 o'clock when they were captured in Bay St. Louis and arrested on suspicion.

Cass and Favre were at once brought to the county jail at Gulfport where they are now held, Cass failing to get out on a habeas corpus petition filed and heard Wednesday in Gulfport before Special Circuit Judge Oscar F. Moss and remanded back to jail. They will be held for further hearing and development.

HARRISON COUNTY COURT TURNS DOWN PLEA FOR RELEASE

Robert Cass, Furloughed Louisiana Convict Remains in Gulfport Jail To Answer Local Charges

Gulfport, Miss., Jan. 15.—Robert Cass, furloughed Louisiana convict arrested in Bay St. Louis last Saturday night by Harrison county officers and Bay St. Louis police, who claimed they had been notified of a plot to rob William Bambrink, New Orleans, part owner of a Henderson Point resort, failed to obtain his release from the Harrison county jail this morning when Special Judge Oscar F. Moss denied Cass' habeas corpus petition and remanded him to the custody of Sheriff Oscar L. Meador.

Cass charged in his petition that he had been illegally arrested and was being illegally detained in the Harrison county jail. In reply, Gaston Hewes, Harrison county prosecuting attorney introduced a warrant issued by L. B. Capdepon, a Hancock county justice of the peace, based upon a charge of carrying concealed weapons, and set for trial at Bay St. Louis Saturday.

AS 1936 BEGINS

THE Sea Coast Echo begins the year 1936 with certain improvements in mind, but with the recognition that these depend much upon our public as upon ourselves.

The editor and publisher of this newspaper constantly have in mind its possible betterment. The field of service is large and we try to fill it as best we can.

We doubt if there are any other businesses which undertake so much work for the benefit of the public as the newspapers of the country. Of course, it is to their interest to do so, but very often, in certain cases, it means a loss of revenue and certain punishment for a newspaper to act in the public interest. Only in the long run, when one contemplates the admiration and respect which an honest newspaper acquires, is the statement that "it pays" applicable to newspaper service.

With this in mind, we do not hesitate to request the support of all those who consider the Sea Coast Echo as worthy of public recognition. To them, we pledge again, what we have often pledged, our best work in the interest of the greater growth of Bay St. Louis and the betterment of every condition that is for the benefit of its citizens.

OPTIMISM FOR 1936

NATIONWIDE signs indicate that recovery is well on the way and "we now have a broader and firmer foundation than in preceding years on which to build in 1936," says Secretary of Commerce Roper.

Among the favorable signs listed by the Secretary were the following:

- A ten per cent increase in factory employment.
- A twenty-five per cent increase in factory payrolls.
- Maintenance of the 1934 level of factory wages.
- A twenty-five per cent increase in production of durable goods.
- A twenty-five per cent increase in sales of general merchandise in rural areas.
- An increase of forty per cent in dollar expenditures for new passenger automobiles.
- A five per cent increase in urban sales of general merchandise.
- A continued growth in the dollar value of American foreign trade.
- American exports highest since 1931.
- A decline in railroad deficits.
- A rising tendency in security market.
- Further improvement in agriculture.

FUTURE OF OUR HIGHWAY COMMISSIONERS

POLITICAL dopesters have it that another effort is to be made during the current session of the Legislature to abolish the elective highway commission and substitute for it a five-member commission appointed by the governor. Such a change would be a grave disappointment to numberless candidates who are already beginning to announce. First sign of the breaking up of the present combination of commissioners—Williams, Linker, Thames—is seen in the projected appointment of Mr. Thames as superintendent of the state penitentiary late this month. O. G. Tann, present superintendent has resigned effective January 25. Incidentally Col. Hiram J. Patterson, who managed the White campaign for governor, is being discussed as the probable successor to Mr. Thames.

MIKE CONNER VS. PAT HARRISON

IF there has been any doubt about the intention of Retiring Governor Conner to oppose Pat Harrison for the Senate in the summer primaries, that doubt seems to have been dispelled by the governor leasing a home in Jackson and arranging for offices in the capital city. He has taken a lease on the Leslie Lampton home and will move his family from the mansion this week. True he has made no definite public or private announcement of his intentions but his close friends are agreed that he will make the race against Harrison unless there is some radical upturn in the political situation during the next three months. Ross Collins has been talked of a great deal as a senatorial candidate, but he will more likely oppose Aubert Dunn for his old seat in Congress.

The man who spends less than he makes is independent; the man who spends more than he has is a slave.

Subscribers to this newspaper are always invited to contribute items for publication; as a matter of identification, sign your name.

Cities and towns grow through the optimism of inhabitants and Bay St. Louis has everything necessary for successful growth during 1936.

Successful merchants seem to agree that advertising won't make business where there is no reason for business but they also affirm that the store, with goods to sell, in a place where people need the merchandise, ought to use intelligent selling methods.

WHY THE PRESIDENT'S BALL

INFANTILE paralysis (acute anterior poliomyelitis) accounts for 27.26 per cent of the cripples among children. Every year some 10,000 youngsters are struck down, and in epidemic years the toll of this disease increases to 40,000. Until a comparatively short time ago so little was known about the disease that the stricken ones were absolutely without hope.

It was the first President Roosevelt who first stirred public interest in cripples by inviting to the White House in 1909 the social workers' conference on dependent children. The desire for knowledge with which to conquer infantile paralysis was intensified by the sufferings of the victims of epidemics in Vermont and New York during the period of 1914-16, when in New York City alone 6,574 surviving children required clinical treatment.

AND now another President Roosevelt is taking the lead in this great fight against the scourge that can, in a few days, sweep up a child in the full bloom of health and cast him into a pit of terror and pain. Tremendous advances are being made in research, methods of treatment and preventive measures. All over the country the battle is being waged that will, it is hoped, eventually stamp out the dread disease entirely.

IN 1925 President Roosevelt discovered that bathing the water at Warm Springs was particularly efficacious in helping infantile paralysis victims. He was so impressed with his own and others' improvement that he decided in 1926 to conduct some experimental work. Twenty-three patients were placed under observation, and at the end of their treatment a detailed report of each case was made to three prominent orthopedic surgeons. Each expressed unqualified approval of the establishment of a hydrotherapeutic center at Warm Springs, and on July 28, 1927, the Warm Springs Foundation was incorporated.

ON the night of January 30, 1936, the President's 54th birthday, more than five thousand cities and towns all over the United States will unite in their third country-wide party. The purpose of this Birthday Ball for the President is to establish through the direct help of the citizens of the country an endowment fund, so that the Georgia Warm Springs Foundation and other agencies engaged in the fight against infantile paralysis may carry on the national crusade. Seventy per cent of the proceeds will go to the community in which they are raised; thirty per cent will be sent to Warm Springs Foundation.

And the best of it is that everyone can take part. It need not even be done in a spirit of self-sacrifice, for there is no one who will not enjoy the Birthday Ball for the President. So come to the ball and be gay. Be doubly gay, for your good time will be doubled by the satisfaction of knowing that you are doing good.

DEATH TO THE AAA

THE summary execution of the Agricultural Adjustment Act by the majority opinion of the United States Supreme Court is not remarkable when one considers antecedent lives of the justices, and the effect of their decision cannot be estimated until it is seen whether new legislation, within the Constitution, can bring about what the AAA aimed at.

The Echo is not inclined to blame a court for the opinion of its judges, regardless of what may be. Every American knows that the government is divided into three divisions and that it is given to the Supreme Court to pass judgments upon every statute. If the judgments rendered do not conform to popular opinion the remedy lies in amending the Constitution or awaiting the inevitable alteration of the judicial personnel.

The chief concern of this newspaper is in the effect that the sweeping judicial pronouncement will have upon the welfare of the farmers of the United States. We have asserted time and again that American agriculture has been mistreated in this country since 1921 until the recent past. The fact that our farmers have been bled white for years is well established. The enactment of the AAA was an effort to readjust an economic situation that was unjust and intolerable. Whether it was the best effort is an academic question but whether the decision of the Supreme Court has rendered impossible further effort is the vital issue now.

Farmers of the United States should not fail to impress upon every political candidate their demand for full economic parity, for an income in proportion to that of other classes, for the right to use the powers of government to protect them as well as industry and to give them the advantages that flow to industry through production and price control.

The Echo is not demanding any particular plan or program. Any one scheme that works, putting dollars in farm purses, will suit us. The national welfare requires that farm purchasing power be sustained at a ratio higher than that yet attained. Farmers, who vote right, can have much to do with restoring to themselves all that they have been denied for many years.

GOV. WHITE'S ADDRESS TO BE BRIEF

GOVERNOR-ELECT White has indicated very clearly that he does not believe in long-winded messages to the legislature and that he does not intend to hand the solons' proposed legislation in bill form for servile enactment. Instead, he has announced that his messages will be brief, including his inaugural address, and will be confined to general recommendations for the accomplishment of specific purposes, leaving the details of legislation to the lawmakers. His supporters in both house and senate are waiting until after his inauguration to drop into the hoppers the legislation that will embody his program for the next two years, the idea being that the people of the state as well as the rank and file of the legislature should know and understand his program before the method of putting it into effect is revealed in legislative bills.

Sleep may be a waste of time but it is necessary if you plan to have much time.

WHAT THE PRESS IS SAYING OF MEN AND MATTERS IN EDITORIAL EXPRESSION

IN RE GREETING CARDS

(From the Montgomery Advertiser)
THE Dothan Eagle hails what its seems to think is a rank disbeliever of the first order in the person who inserted the following classified ad in the New York Herald Tribune:

"WANTED: Dead or alive the guy who started this greeting card racket, and if you addicts who sent me pictures of reindeers and angels and scottie dogs think I am going to waste good dough by breaking out into this annual sentimental rash, you're crazy. So damn it, here's thanks for your lovely, beautiful thoughts, in the cheapest way possible and may all you suckers have a happy New Year. Want to make anything of it."

HARRY EVANS.

Our greatest surprise is that The Eagle, being somewhat of a disbeliever and cynic, should so hastily receive the Hon. Harry Evans into the great tribe of those who are born to question.

The Hon. Evans is in truth a representative of a type that is most contemptible in the sight of the disbelievers. He had the inspiration to question, but he did not have the backbone to stick by his conviction.

On the basis of the documentary evidence at hand, The Advertiser has concluded that The Eagle itself is a softy.

It is perfectly clear to us that the Hon. Evans inserted the classified ad either because:

- (1) The greeting cards he ordered got lost in the mail;
- (2) He put off buying some until too late and was forced to that measure;
- (3) He wanted to be original and a little less commonplace than those who send the scottie dogs, the reindeers and whom appear to condemn so heartily;
- (4) He was such a hail-fellow-well-met that he was forced to have 450,000 (The Herald-Tribune's circulation) copies of his greeting printed in order to get around to all his friends.
- (5) Or, being a softy he did not have the courage to wake up Christmas morning and suddenly remember that he had forgotten to send his Aunt Petunia a card.

If the Hon. Evans was motivated by any of the above circumstances he has no right to seek company among the disbelievers and cynics. Nor has any.

INTERESTING NEWS ITEMS OF THE MOVIES AND FILM FOLK IN HOLLYWOOD

WARNER BROS. is planning to make a film based on the life of Mme. Curie, the French scientist and co-discoverer of radium. It will be called "The Story of Louis Pasteur."

George Bancroft has joined the cast of "Opera Hat."

"Strike Me Pink," Eddie Cantor's newest film, had its premiere in Radio City Music Hall, January the sixteenth.

Mrs. Nina Lepton, who has been Eastern Story editor of MGM for fifteen years, has tendered her resignation and will be succeeded by William J. Fadiman.

William Warren will appear with Anita Louise in "The Gentleman From Big Bend."

John Ford, who directed "The Informer," was considered slightly crazy by his studio when he decided to take a share of the profits rather than a specified salary. The studio was amazed when it turned out to be such a money-making film.

A few weeks ago James Cagney was offered \$100,000 by another lot to make a picture. Warner's refused to let him go. Cagney boarded his kach and sailed away. He is under a five year contract to make twenty pictures and has completed fourteen for Warner's.

"Rose of the Rancho," for all of its Wagnerian music and Gladys Swarthout as leading lady, is really a western on a grandiose scale. Willie Howard, famous Broadway comedian, is the cowboy and a very funny cowboy at that.

The snow and frost fail to deter Larry Crabbe from taking his daily dip in the ocean.

Another all color film, "The Trail of the Lonesome Pine," is scheduled to be released early in 1936.

"Wife Versus Secretary" has in its cast, Clark Gable, Jean Harlow, and Myrna Loy.

The big ten list chosen by Motion Picture Herald's annual canvass of the independent exhibitors of the United States in 1934-35 were Shirley Temple, Will Rogers, Clark Gable, Fred Astaire, and Ginger Rogers, as a team, Joan Crawford, Claudette Colbert, Dick Powell, Wallace Beery, Joe Brown and James Cagney, respectively. These players were judged by box office receipts.

J. Farrell McDonald has been chosen as one of the cast in "Show Boat."

Blamed on a large electric light left burning too close to a bundle of papers, fire caused a \$600,000 damage to the new \$10,000,000 postoffice building early this month.

MOTHER! don't experiment with your Child's Cold

VICKS VAPORUB

Often, "mere colds" have serious consequences. It is dangerous to neglect a cold—equally dangerous to experiment with half-way measures.

Feel safe Use Vicks VapoRub—the proved external method of treating colds. No risks of constant internal "dosing," which so often upsets delicate digestions and lowers resistance when most needed.

DOUBLE DIRECT ACTION

Just rubbed on at bedtime, VapoRub fights a cold direct—two ways at once—by stimulation and inhalation. This combined poultice-vapor action loosens phlegm—soothes irritated membranes—eases difficult breathing—helps break congestion. Often by morning the worst of the cold is over.

HOSPITALS HARD HIT

(Jackson Daily News)
ONE of the things that give hospital superintendents gray hairs is, as you might expect, the automobile traffic accident.

David H. M. Fyle, president of the United Hospital Fund of New York, discloses that the average victim of an auto accident runs up a bill of \$33 when taken to a hospital for treatment, and an increasing percentage of these bills never get paid.

The hospital can't help itself. The traffic victim is an emergency case. Treatment can't be refused while his financial standing is examined.

And, too often, when he recovers and gets the bill, he reveals that he can't pay it, but that he'll settle as soon as he collects damages from the driver of the other car. And that may be the last the hospital ever see of him.

This means an added burden for the hospitals. If we don't insist on financial responsibility on the part of motorists, we must at least contribute more generously to hospital funds, so that the institutions can continue to care for the victims of our mad traffic situation.

JANUARY 21, 1936—HLW becomes Governor of Mississippi.

Twelve years ago—another HLW became Governor of the state.

HLW in 1924 was not a politician—he detests politics and politicians as we know them.

HLW's term in 1924 marked the inauguration of a new era in Mississippi.

HLW's term beginning in a few days will again mark a new era in the public affairs of the state.

Henry L. Whitfield and Hugh L. White—one a governor of the past and the other a governor of the future.

May the incoming HLW administration be as beneficial and as helpful to the state as the HLW administration of the past.

Mississippians confidently hope and pray that it will.

A. A. A.

THE A. A. A. is unconstitutional. So said six of the nine members of the Supreme Court in a decision handed down on January 6. While the other three members differed bitterly with their colleagues the majority rules in court decisions.

The far reaching effect of this momentous decision can hardly be overestimated. It ends the plan under which the farmers of America have received millions of dollars in benefit payments the farmers of Mississippi alone received over nineteen million dollars during 1933 and 1934 and around ten million during 1935) and which was chiefly credited with the rise of cotton from 6.5 cents in the 1932-33 crop year to 12.6 in the 1934-35 crop year. It also foreshadows the doom of a number of other bills, such as the potato control act, the Guffey coal act, and the Bankhead cotton control act. It upsets the budget that had been worked out for the fiscal year of 1937 and that, curiously enough, was being presented to the House in a message from the President being read by clerks at the time the decision was handed down. It makes it necessary for the Government to devise some way of payment the moral obligation it owes to the farmers who have already signed contracts with the A. A. A. It raises all over again the question of what is to be done for agriculture. The answer to this question has not been found, but the President has indicated that the welfare of the farmers is still the concern of his Administration. Four or five alternative plans are now being considered by the House Agriculture Committee.

House Passes Adjusted Service Bill

With the session only a week old as this is written, the House has already passed the Vinson-Patman-McCormack Bill for the immediate payment of the adjusted service certificates. The bill received the overwhelming vote of 355 to 58. We confidently expect the payment of these certificates in the next few weeks, and this issue once and for all will be removed from politics.

While we have previously published these figures, the following tabulation of what this bill will mean to each county in the Sixth District is given with the thought that it will be of interest to those who may have missed it before:

Covington, \$144,449.14; Forrest, \$289,465.38; George, \$72,311.08; Greene, \$102,810.13; Hancock, \$109,720.88; Harrison, \$424,302.52; Jackson, \$153,532.48; Jeff Davis, \$137,268.98; Jones, \$398,821.11; Lamar, \$123,454.98; Lawrence, \$119,871.26; Marion, \$191,499.88;

Pearl River, \$186,520.86; Perry, \$78,789.57; Stone, \$56,826.85; and Wayne, \$147,025.54.

Now comes Congressman Buchanan, Texas, with a proposal to enact a Federal sales tax bill to pay the cost of the social security program—old age pensions and such like. How would you like to have a Federal sales tax added to your state sales tax every time you make a purchase. Consider that before you do any yelping for old age pensions.—Jackson News.

UNIVERSAL FREE Pick-Up and Delivery

Service on the

and an arrangement for SHIPPING C. O. D.

Effective January 20, 1936, the L. & N. will perform (except for the present shipments moving wholly under Kentucky intrastate rates) free pick-up and delivery service on less carload merchandise shipments at all points on its rails, and free pick-up or free delivery on shipments moving between points on its rails and points on rails of other railroads regardless of distance.

C. O. D. service is also inaugurated.

These are the Outstanding Features of this Modern, Convenient Plan—

1. Pick-up and delivery within corporate limits of city or town.
2. No limit as to distance shipment moves.
3. Applies on practically all articles of less-than-carload merchandise freight.
4. The railroad is responsible for shipments from door to door.
5. C. O. D. service at a nominal charge.

State Press Is
People's School.
Says W. F. Bond

"A newspaper is an education institution and serves the public in proportion as it receives the good will and cooperation of the public," W. F. Bond, editor of the State Press, says.

"I am leaving the office of state superintendent of education with a most kindly feeling for those who make up the faculty of the 'People's College,' the editors of our newspapers," he says.

During the 20 years' of his office tenure, the Mississippi press has aided him in carrying the advantages of a good school within the reach of every child, he says, expressing the belief that the county paper and one daily paper should be available to every child in the schools.

THE regular 1936 session of the Mississippi Legislature was duly opened at Tuesday noon, January 7th, Secretary of State Walker Wood calling the House to order, and after prayer by Dr. J. L. DeCell, pastor of Galloway Memorial Church Mr. Wood proceeded to complete the organization by having the roll of membership called, and administering the oath of office to the legislators.

The following have been elected to serve the legislature for 1936-40. Speaker of the House Horace Stansel, and Buford Yerger, Clerk. Doorkeepers: C. E. McKay and C. W. West, and J. B. Mitchell sergeant at arms. In the Senate Senator John L. Culkin was chosen president pro tem, and Buford Watson, Secretary. Senator H. Clay Collins, sergeant at arms, and J. M. Cooper and J. M. Upchurch, doorkeepers. Miss Rena Humphreys was re-elected State Librarian, and Mrs. Annie Flo Wilkins re-elected postmaster.

After the retirement of Governor Conner from gubernatorial responsibilities, Mississippi will have six living ex-governors: A. H. Longino, Earl Brewer, Lee M. Russell, Theodore Bilbo, Dennis Murphree and Sennett Conner. All of these, except Senator Bilbo, will be residents of Jackson, and even Senator Bilbo spends a good part of his time in the Capital City.

U. to adjournment Thursday night the Senate of the 1936 Legislature had dropped twenty-five bills into the hopper, for reference to proper committees, when named. Twenty-four are general bills, and two were local and private. In the main these bills would provide for State Traffic Control; Maximum speed of 40 miles per hour for automobiles; 30 miles per hour for trucks; Old Age Pensions; Auto Drivers' license; two prison trustees to live at Parchman, and one at Oakley; Abolish Perpetual Board of Trustees of Department of Archives and History; Increased fines for drunkenness and profanity; Reduce fees for Candidates; Permit Public School to sell water; Repeal Tax Exemption on Bank Deposits; Manufacture of more than 4 per cent wine for out-of-state consumption; State Department of Labor; Continue State Relief Board; Permit Opening of Homesteads on State-owned lands; Prohibit appointment of Legislators to other Remunerative Positions during terms; Issuance of Refunding Bonds regardless of Issue; Prohibit Collection of Damages on Tags; Provide for \$36,000,000 Road Program; Dispense with Posting of Delinquent Tax payers; Create Interstate Commission of Law Enforcement, and Amending Corrupt Practice Act.

THE regular 1936 session of the Mississippi Legislature was duly opened at Tuesday noon, January 7th, Secretary of State Walker Wood calling the House to order, and after prayer by Dr. J. L. DeCell, pastor of Galloway Memorial Church Mr. Wood proceeded to complete the organization by having the roll of membership called, and administering the oath of office to the legislators.

The following have been elected to serve the legislature for 1936-40. Speaker of the House Horace Stansel, and Buford Yerger, Clerk. Doorkeepers: C. E. McKay and C. W. West, and J. B. Mitchell sergeant at arms. In the Senate Senator John L. Culkin was chosen president pro tem, and Buford Watson, Secretary. Senator H. Clay Collins, sergeant at arms, and J. M. Cooper and J. M. Upchurch, doorkeepers. Miss Rena Humphreys was re-elected State Librarian, and Mrs. Annie Flo Wilkins re-elected postmaster.

After the retirement of Governor Conner from gubernatorial responsibilities, Mississippi will have six living ex-governors: A. H. Longino, Earl Brewer, Lee M. Russell, Theodore Bilbo, Dennis Murphree and Sennett Conner. All of these, except Senator Bilbo, will be residents of Jackson, and even Senator Bilbo spends a good part of his time in the Capital City.

U. to adjournment Thursday night the Senate of the 1936 Legislature had dropped twenty-five bills into the hopper, for reference to proper committees, when named. Twenty-four are general bills, and two were local and private. In the main these bills would provide for State Traffic Control; Maximum speed of 40 miles per hour for automobiles; 30 miles per hour for trucks; Old Age Pensions; Auto Drivers' license; two prison trustees to live at Parchman, and one at Oakley; Abolish Perpetual Board of Trustees of Department of Archives and History; Increased fines for drunkenness and profanity; Reduce fees for Candidates; Permit Public School to sell water; Repeal Tax Exemption on Bank Deposits; Manufacture of more than 4 per cent wine for out-of-state consumption; State Department of Labor; Continue State Relief Board; Permit Opening of Homesteads on State-owned lands; Prohibit appointment of Legislators to other Remunerative Positions during terms; Issuance of Refunding Bonds regardless of Issue; Prohibit Collection of Damages on Tags; Provide for \$36,000,000 Road Program; Dispense with Posting of Delinquent Tax payers; Create Interstate Commission of Law Enforcement, and Amending Corrupt Practice Act.

ROCKACHAWS WIN FIRST TWO OPENING CONTESTS EASILY

Opened 1935 Season Jan-
uary 12—Dedeaux Has
Formidable Team

The St. Stanislaus Rockachaws opened their 1935 basketball season Sunday afternoon, January 12, with an impressive victory over Dedeaux by the score of 48-18, and then duplicated the feat on the following Monday by decisively beating Orange Grove, 35-13. Athletic Director, Brother Casimir made the selection of these two teams to test the ability of the squad, and they returned the challenge in fine style.

Dedeaux, former champ, presented a formidable team, but seemed to be a trifle bit inferior to the smooth style of play the Rockachaws exhibited. Scoring heavily in the first two quarters, the first team was removed and the second team replaced it. For the remainder of the game there was no scoring to a great extent, one team trying to keep the ball in its possession, and the other attempting to figure out a method in which to score 38 points in a hurry. For Stanislaus, Gonzales was high point man, followed closely by Gerchow. Orange Grove, a serious contender for the crown at all times, proved at times, a difficult opponent to subdue, but the Red and Black got under way, after an even first quarter and left the Orange Grove team in the distance. Still believing Orange to be a threat, Coach "Wop" Glover kept his first team throughout the latter part of the third quarter, but towards the beginning of the fourth quarter they were replaced by a new team. Believing the subs to be weaker, Orange Grove lashed an attack that brought them 10 points, but did not carry them within winning distance of the Rockachaws. For this game Gonzales and Gerchow battled for scoring honors and Gonzales came out on top by a point.

FAKE TREE DOCTORS WORKING STATE IN UNLAWFUL SCHEME

State College Denounces Im-
poster—Has Been 'Work-
ing' Gulf Coast

A bulletin to The Echo from Mississippi State College says that owners of pecan, fruit, and ornamental trees throughout Mississippi are being warned by the State Plant Board against patronizing any "tree doctors" who claim to secure results by injecting materials into trees. Clay Lyle, Entomologist of the Board, states that one man has been operating recently along the Gulf Coast but left before he could be apprehended. For 25 cents each he would chip off the bark on pecan trees just below the ground and apply some brown paint which he claimed would penetrate the tree and control diseases.

Any person offering such treatment is a swindler, says Mr. Lyle, and should be prosecuted for obtaining money under false pretenses. Citizens who learn of such agents in their communities are urged to report their presence at once to the local newspapers and also notify the State Plant Board at State College.

Local Residents Attend Area Council Boy Scouts at N. O.

The Very Rev. A. J. Gmelch, the Rev. Girault Jones and E. J. Arceaux attended both conferences at New Orleans a few days ago. New Orleans Area Council of Boy Scouts of America. Once a year the many scouts of the area get together for their one meeting of the year, the Area Conference. The conference opens with a luncheon, held at the Roosevelt Hotel, followed by short presentations on various scout subjects and a general exchange of ideas.

The first session of the day opened at 12 noon. Following a business program at 2:45 a free trip to the new \$13,000,000 Mississippi river bridge followed.

At 6 o'clock the second meeting was held, followed by a banquet in the Blue Room of the Roosevelt. His Excellency, Archbishop Rummel, addressed the meeting.

Bay St. Louis representatives say both sessions were highly interesting and instructive in more ways than one. The banquet and other entertainment features were highly enjoyable.

per day for each inmate.

Be it ordered by the Board that Mrs. Emma Baxter, be and she is hereby appointed bridge tender of Bayou Homa Bridge for a period of one year at a salary of \$15.00 per month.

Be it ordered by the Board that Manuel Shiyon be and he is hereby appointed bridge tender of Jordan River Bridge for a period of one year, at a salary of \$15.00 per month.

Be it ordered by the Board that John Rutherford, be and he is hereby appointed bridge tender at Bayou La Croix Bridge for a period of one year at a salary of \$15.00 per month.

Be it ordered by the Board that Philip Adams, be and he is hereby appointed janitor of the County house at a salary of \$45.00 per month the said appointment to continue from month to month and to cease at the will of the Board.

This day came on for hearing and consideration by the Board of Supervisors Hancock County, Mississippi, petition of W. A. McDonald & Son for reduction in the assessment of personal property, assessed to the said petitioner as the owner thereof, of the page and line on said 1935 personal roll as shown in said petition, the said reduction being asked of the Board that said personal property has been assessed for more than its actual value on the next preceding tax lien date.

And it appearing to the Board of Supervisors from the evidence, both oral and documentary offered in support of said application that the circumstances alleged in said petition, as grounds for relief, are true, and that the personal assessment of W. A. McDonald & Son as appears on page 184, line 6 of the 1935 Personal Roll should be reduced from \$35,000.00 to \$25,000.00.

And the Board being fully satisfied that petitioner is entitled to have said assessment reduced as herein provided, and that the board should so order.

It is, therefore, ordered by the Board of Supervisors of Hancock County, Mississippi, that the personal assessment of W. A. McDonald & Son as appears on page 184, line 6 of the 1935 Personal Roll be reduced from \$35,000.00 to \$25,000.00, being a total reduction in the assessment subject to taxes of \$10,000.00 for year 1936; and in the assessment subject to county taxes of \$10,000.00 for the year 1935.

It is further ordered, that the Clerk of this Board certify two copies of this order to the State Tax Commission, for its approval or disapproval; and, if the foregoing order be approved by the State Tax Commission, the Clerk of this Board is hereby authorized and directed to change the Original Assessment Roll in his office and the Sheriff and Tax Collector of this county is hereby authorized and directed to conform with the provisions of this order. And the Sheriff and Tax Collector shall be properly credited with the reduction (if any) herein made.

Be it ordered by the Board that the appointment of E. J. Gex, as Deputy Sheriff, be and the same is hereby approved.

Bids have been advertised for and notices given banks as provided for by law for the privilege of becoming County Depository for Hancock

Pertinent Comment By Well-Known And Wise Commentator

N. O. Item, carries a boxed paragraph or more of pertinent comment by one who signs himself "A. Labas," an individual who criticizes constructively, one who seems to see all and know all.

Friday's contribution by Labas is addressed "To Mississippi" and reads, which we endorse:

"Coming back from Bay St. Louis the other night I missed the short cut entirely and rode on for several miles before I realized what had happened.

You know what happened? Well, the sign at the detour was too small and too insignificant to be seen at night. That's what happened! "A big glittering sign should be put there, something that I couldn't miss even with glaring headlights in my eyes."

Popular Hut Opened By Scouts

Boy Scouts from four towns gathered at Poplarville to take part in a program incidental to the dedication of the new Scout hut at Poplarville.

The scouts represented Hattiesburg, Piquette, Lumberton and Poplarville. An Eagle badge was also awarded to Robert Crosby, of Piquette.

Hattiesburg Boy Scouts are also preparing to build a log hut there. A committee appointed to handle the project includes C. M. Sigler, chairman and C. M. Charbonneau, Malcolm Galbreath, Rev. L. C. Caraway, A. D. Owings, Floyd Howarth and F. B. Hewes, Jr.

County for a period of one year as provided by Section 4341 of the Code of 1930, and Chapter 215 of the Laws of 1932, and no bids having been received by this Board for the privilege of being said county Depository, as provided by Section 4341 of the Code of 1930 and Chapter 215 of the Laws of 1932, Whereupon, the Board has entered an agreement or contract with the Hancock County Bank of Bay St. Louis, and which agreement, or contract, was as follows:

The said Hancock County Bank agreeing to be said depository and to furnish the securities required by law, the said Hancock County Bank shall pay no interest for the privilege of being said depository; and the Board being of the opinion that this is the best contract possible, it is, therefore, ordered that the Hancock County Bank of Bay St. Louis, be and it is now declared the County Depository for one year from this date, into which all county funds and all funds belonging to the Hancock County Bank, and all other public funds shall be deposited, and public funds so deposited shall be secured by the said Bank by pledging the said securities, such security and in such an amount as is required by law concerning deposits, and such qualifications as such be binding therefor.

Chiropactic Clinic to Be Conducted in Bay St. Louis, January 20

Arrangements have been completed for a free Chiropactic Health Clinic to be held at the office of Dr. W. S. Speer, 215 Main street, Bay St. Louis, on January, 20. There will be no charge or obligation for a complete Chiropactic analysis and consultation. The purpose of such clinics as are now being conducted in different parts of the State, is to acquaint the general public with the latest Chiropactic methods and to determine the efficacy of the science in individual cases. These periodical educational features bring to the towns and cities where they are held, the newest features in Chiropactic technique and equipment.

A special x-ray laboratory will be available to those desiring x-ray pictures at a minimum charge.

Each case is examined privately, making it necessary to limit the number of patients who can be accommodated during the clinic. Therefore, all those desiring to attend, must make appointments in advance.

Dr. Speer has charge of arrangements locally and appointments may be made through his office at 215 Main street.

same is hereby rejected.

This day came in for hearing and consideration by the Board of Supervisors of Hancock County, Miss., petition of Antoine J. Lott for reduction in the assessment of Real property, assessed to the said petitioner as the owner thereof, of the page and line on said 1935 Real Roll as shown in said petition, the said reduction being asked on the ground that said timber was removed from said land prior to January 1st, 1936.

And it appearing to the Board of Supervisors from the evidence, both oral and documentary, offered in support of said application that the circumstances alleged in said petition, as grounds for relief, are true, and that said timber was removed from said land prior to January 1st, 1936.

And the Board being fully satisfied that Petitioner is entitled to have said assessment reduced as herein provided, and that the Board should so order:

It is, therefore, ordered by the Board of Supervisors of Hancock County, Mississippi, that real assessment of said Antoine J. Lott, as appears on page 8, line 28 and page 79, line 34 of the real assessment roll of 1934-35, be reduced from \$555.00 to \$365.00, being a total reduction in the assessment subject to state taxes of \$190.00 for year 1936; and in the assessment subject to county taxes of \$190.00 for year 1935.

It is further ordered, that the Clerk of this Board certify two copies of this order to the State Tax Commission, for its approval or disapproval; and, if the foregoing order be approved by the State Tax Commission, the Clerk of this Board is hereby authorized and directed to change the Original Assessment Roll in his office, and the Sheriff and Tax Collector of this County is hereby authorized and directed to conform with the provisions of this order. And the Sheriff and Tax Collector shall be properly credited with the reduction (if any) herein made.

that petitioner is entitled to have said assessment reduced, as herein provided, and that the Board should so order.

It is, therefore, ordered by the Board of Supervisors of Hancock County, Mississippi, that the real assessment of said Antoine J. Lott as appears on page 79, line 38, page 79, line 30, and page 27, be reduced from \$1140.00 to \$910.00, being a reduction in the assessment subject to State taxes of \$230.00 for year 1935; and in the assessment subject to county taxes of \$230.00 for year 1935.

It is further ordered, that the Clerk of this Board certify two copies of this order to the State Tax Commission, for its approval or disapproval; and, if the foregoing order be approved by the State Tax Commission, the Clerk of this Board is hereby authorized and directed to change the Original Assessment Roll in his office, and the Sheriff and Tax Collector of this County is hereby authorized and directed to change the copy in his possession, to conform with the provisions of this order. And the Sheriff and Tax Collector shall be properly credited with the reduction (if any) herein.

This day came on for hearing and consideration by the Board of Supervisors of Hancock County, Mississippi, petition of F. B. Stern for reduction in assessment of real property, assessed to the said Petitioner, as the owner thereof, at the page and line on said petition, real property shown in said petition, said reduction being asked on the ground that improvements have been removed and that the land is not under cultivation, and is simply cut-over land prior to January 1st, 1935.

And the Board being fully satisfied that petitioner is entitled to have said assessment reduced, as herein provided, and that the Board should so order.

It is, therefore, ordered by the Board of Supervisors of Hancock County, Mississippi, that the real assessment of F. B. Stern as appears on page 87, line 26, be reduced from \$245.00 to \$200.00, being a total reduction in the assessment subject to state taxes of \$45.00 for year 1935; and in the assessment subject to county taxes of \$45.00 for year 1935.

It is further ordered, that the Clerk of this Board certify two copies of this order to the State Tax Commission, for its approval or disapproval; and, if the foregoing order be approved by the State Tax Commission, the Clerk of this Board is hereby authorized and directed to change the Original Assessment Roll in his office, and the Sheriff and Tax Collector of this County is hereby authorized and directed to change the copy in his possession, to conform with the provisions of this order.

Be it ordered by the Board that the Clerk of this Board issue warrant in the sum of \$3.84, covering a refund due Roman E. Caise for the purchase price of Lot 34, Block 23, Clermont Harbor, the said sale having taken place on the 16th day of September, 1935, when the land above described had already been sold to the State of Mississippi, the said warrant shall be drawn out of the General County Fund.

Be it ordered by the Board that Olivia Kellar, be and she is hereby allowed the sum of \$20.00, as additional payment for a cow killed in dipping vat. The Clerk of this Board is directed to issue the said warrant said amount, out of the General County Fund. The said Olivia Kellar, having been allowed the sum of \$15.00 for a range cow, when said cow was a dairy cow.

Be it ordered by the Board that the Clerk of this Board issue warrant payable out of Lot 34, Block 23, Bridge Fund, to the order of the City of Bay St. Louis, in the amount of \$2500.00, and to the Town of Waveland in the amount of \$1000.00, the said warrant being issued in payment of ad valorem tax due the City of Bay St. Louis and the Town of Waveland.

Be it ordered by the Board that the Clerk of this Board issue warrant in the sum of \$5000.00, payable to the Merchants Bank & Trust Company, on account of loan warrant, the said warrant shall be drawn out of the Loan Warrant Bond Fund.

Be it ordered by the Board that the Board adjourn until Friday morning, January 10th, 1936, at 9 o'clock A. M.

CHAS. B. MURPHY, Pres.

Friday Morning, January 10th, 1936, at 9:00 o'clock A. M., Board met pursuant to adjournment, present as on yesterday.

Be it ordered by the Board that the Clerk of this Board advertise for sealed bids to be delivered to the Clerk of this Board not later than 11:00 o'clock A. M. on Monday, March 2nd, 1936, for the hire or purchase of one or more crawler tractors, weighing not less than three tons each, and equipped with engines that burn light distillate for fuel, and one or more crawler tractors weighing not less than four and one-half tons each and equipped with Diesel engines capable of burning heavy crude oil, and having separate starting engines. If out-right purchase is made, the Board proposes to hire these tractors for a period of fifteen months or less with the contract hire price to be paid in a lump sum in advance for the entire time hired, or to be paid in advance monthly or quarterly, as the Board may elect to do. The company furnishing these tractors will be required to give the County an option on these tractors so that if the Board desires same can be purchased during or immediately at expiration of hire period, with at least ninety-seven percent of all money paid for hire to be credited against the original

'Coronado' Introduces Two Talented Young Performers to Screen

Lavishly garnished with catchy tunes and bringing two new youthful and talented players to the screen, Paramount's musical romance, "Coronado" which opens at Monday, is a film worth anybody's time and money.

Eddy Duchin and his orchestra provide the musical background for the film and this popular dance band's first motion picture engagement is auspicious to say the least. The performers of the two leading players, Johnny Downs and Betty Burgess, indicate to this reviewer that Hollywood has discovered something refreshingly new. These two young people not only act competently—they are talented singers and dancers as well.

The action, in the main, takes place at the Hotel Coronado in Southern California, a resort frequented by the upper crust of society. Miss Burgess is cast as an entertainer with Eddy Duchin's orchestra at the hotel, though she lives on the wrong side of the tracks in a "tent city" with her ebullient father, Leon Errol, and her sister, Alice White, who is somewhat adlepted.

Young Downs is the son of a wealthy automobile manufacturer stopping at the hotel, and from the moment they meet the rich boy and the poor girl go for each other. Vicissitudes arise on all sides, blasting their romance again and again, but at the conclusion, they're still "Johnny and June"—songs, dances and funny sayings.

The cast finds the story perfectly, and there is no end of comedy in the picture, contributed mainly by Jack Haley and Andy Devine as two marine-hating sailors, and Leon Errol as father of the two girls. The performers of Berton Churchill as the tolerant motor magnate and of Alice White as "Vi Wry" merit special mention.

The songs which form an important part of the film were written by Richard Whiting and Sam Coslow. You will like them, especially the featured number, "You Took My Breath Away," which Miss Burgess sings.

The picture, directed by Norman McLeod, has superb settings and the dance ensembles, "performed by some of the loveliest girls in Hollywood, are staged with a maximum of cleverness.

This order. And the Sheriff and Tax Collector shall be properly credited with the reduction (if any) herein made.

Be it ordered by the Board that the Board adjourn until Thursday morning, January 9th, 1936 at 9 o'clock A. M.

How Calotabs Help Nature To Throw Off a Bad Cold

Millions have found in Calotabs a most valuable aid in the treatment of colds. They take one or two tablets the first night and repeat the third or fifth night if needed. How do Calotabs help Nature throw off a cold? First, Calotabs is one of the most thorough and dependable of all intestinal eliminators, thus cleansing the intestinal tract of the germ-laden mucus and toxins.

Second, Calotabs are diuretic to the kidneys, promoting the elimination of cold poisons from the system. Thus Calotabs serve the double purpose of a purgative and diuretic, both of which are needed in the treatment of colds.

Calotabs are quite economical; only twenty-five cents for the family package, ten cents for the trial package. (Adv.)

THE ECHO'S COOKING CLASS

CREAM puffs and eclairs are not hard to make, in fact, they are most simple if the right proportions and right directions are followed. The only difference in the cream puffs and eclairs is the shape in which they are baked and in the filling and frostings that are used. Cream puffs are round, filled with whipped cream or custard, and then dusted with confectioners' sugar. Eclairs are oblong, they may be filled with ice cream, custard or whipped cream. The tops are covered with a frosting, usually chocolate.

Recipe for Cream Puffs and Eclairs

1/2 cup butter
1 cup boiling water
1-8 teaspoon salt
1 cup flour
4 eggs

Melt butter in boiling water. When again boiling, add flour and salt. Stir rapidly until mixture cleaves from the side of the pan. Remove from the fire, cool, add one of the eggs and beat until smooth. Beat vigorously for a few minutes longer. In similar manner, add the remaining eggs, one at a time, beating well after each egg is added. After all the eggs have been added, beat the mixture well for three minutes. Longer beating will improve the texture. Drop by tablespoons this on a greased baking sheet. Bake in oven 450 degrees for 20 minutes, decrease heat to 350 degrees and bake for thirty minutes.

Custard Filling

1/2 cup sugar
1c tablespoons flour
2 eggs slightly beaten
u cup confectioners sugar
1/4 teaspoon salt
2 cups milk
Mix sugar with flour and corn-

starch, salt and enough milk to make a smooth batter. Add to the remaining milk which has been scalded. Cook until mixture thickens, stirring constantly. Place over hot water and continue cooking for 20 minutes, stirring constantly. Add eggs slightly beaten. Cook until thickened. Remove from heat and add flavoring.

The tops of well risen puffs are always uneven and seamed. A cut may be made along one of the cracks and a small portion of the top removed. The custard or cream may then be placed in the puffs and the tops replaced. Dust with confectioners sugar.

MRS. SAM PIAZZA SUSTAINS BROKEN SHOULDER BLADE

Automobile Accident Occurred Thursday Afternoon At Booklet and St. Francis

As a result of accidental encounter of two cars last Thursday afternoon at about 4:30 o'clock, Mrs. Sam Piazza was thrown from her car, by the door opening in the jolt, and received injury, principally a broken right shoulder blade.

Mrs. Piazza was seated in a car driven by Mrs. Anthony D. Benedet, to and the other car driven by Dan

Durham, representing the Purina Mills feed company, whose car was travelling in a westerly direction on Booklet street, headed for the O. S. T., en route to New Orleans. The other was traveling on St. Francis street headed for Main street. Both cars were damaged. The accident occurred at the intersection of St. Francis and Booklet streets.

Mr. Durham immediately carried Mrs. Piazza to her home and procured the services of a physician. She was taken to Gulfport hospital following morning for an x-ray examination. Her injuries were determined, the broken bone set and she returned to her home later in the day. Dr. A. P. Smith in attendance. Her condition is reported improved.

SILVER

The Treasury, which began buying silver under the act passed in 1934, is required to continue its purchases until the metal reaches \$1.29 an ounce or the government acquires holdings equal to one-third of its gold reserves. Although more than 500,000,000 ounces have been bought the goal is just about as far off as it was when the program began.

NOTICE

I have resumed my practice of medicine and surgery in Bay St. Louis.

R. R. OFFERS NEW FREE SERVICE

L. & N. Will Collect Freight Similarly to Express Under New Plans

The traffic department of the L. & N. Railroad announces that effective January 20, the L. &. N. in conjunction and cooperation with a number of other railroad serving the state of Kentucky, Tennessee, Alabama, Mississippi, Louisiana, western Florida and northern Georgia will establish universal free collection and delivery service for less than carload merchandise freight shipments. The new arrangement will be made available to shippers and consignees at all important agency stations on the L. & N. system, not only as to shipments within the South but to shipments to and from the West, Southwest and other sections as well and as an adjunct to this plan a C. O. D. service similar to that offered by the express companies for many years, will be provided.

This collection and delivery service, which was inaugurated on Mar. 15, 1933, was originally accorded without extra charge between points within Southern territory on shipments moving up to a distance of approximately 280 miles from shipping point. This distance was later extended to approximately 360 miles, and under the new arrangement will be unlimited. Except for articles that are restricted because of unmanageable size or limitations as to weight, and those commodities restricted because of the class of traffic involved, less-than-carload merchandise shipments will be entitled to free pick-up and delivery service regardless of the distance they move, also to the C. O. D. service if desired. A nominal charge is made for the latter service.

As in the original tariff, the new plan contemplates that the merchandise shall be handled by contract with local truckers. A local transfer company under contract and bonded, will call at shippers place of business and pick up less-than-carload freight and deliver it to the carrier's freight depot, and the company will make store-door delivery to the consignee.

An advertisement elsewhere in this effect appears elsewhere in this issue of The Echo.

SILVER TEA MARKS KING'S DAUGHTERS' 50TH ANNIVERSARY

ATTENDED by many representative ladies of the city, silver tea given Monday afternoon at residence of Mrs. Leo W. Seal, observing the fiftieth anniversary of birth of King's Daughters Circle, the affair proved one of interest and socially delightful.

Mrs. Sarah S. Power read a five-minute paper giving history of the organization, proving a paper both informative and entertaining, while Miss Ruth Sanford, also of Bay St. Louis, read an original poem for the occasion.

While japonicas were used in table decoration in tasteful effect, Mrs. Reginald N. Blaize poured tea while Mrs. Fitzgerald coffee. Silver offering amounted to \$8.50, quite a tidy sum.

Assisting Mrs. Seal, hostess, entertaining the group included Mrs. M. J. Montgomery, Mrs. K. W. Pepperdene, Mrs. C. M. Weeks, Mrs. A. T. Terry, Mrs. Theodore T. Robin, Mrs. Ella Maybin, Mrs. Chas. G. Moreau.

Mrs. A. F. Fournier, State and president King's Daughters, was a guest of honor.

RETURNS HOME FROM MERCY HOSPITAL AFTER UNDERGOING ORDEAL

Miss Marie E. Bertrand reached her home at Blue Heaven, Pass Christian Beach, Monday afternoon, from Mercy Hospital at New Orleans, where, in December 26, she underwent a major operation, removal of gall bladder and appendix. The transfer was made by automobile and professional nurses and an intern of the hospital medical staff accompanied the party on the trip.

Miss Bertrand's return home, and doing extraordinarily well, is gratifying in the extreme to the many friends and acquaintances of sections in both Louisiana and Mississippi. Miss Bertrand will shortly be able to receive callers, however, for the present, her local physician prescribes rest and quietude in order that she may convalesce quickly.

MRS. FAHEY HOSTESS TO LUNCHEON-BRIDGE MONDAY AFTERNOON

There was much charm and party atmosphere at The Answer Monday afternoon on the occasion of a luncheon-bridge given by Mrs. Edmund F. Fahey, entertaining at three tables.

Decorations consisted of early spring flowers and general keynote of the beautiful affair was that of the advent of the most cheerful of all seasons.
